Employees become fully vested in PERSI after 5 years.

LTI hours may also be used for bereavement.

**Employees not wishing to take advantage of the County’s medical and/or dental insurance benefits may set up a Medical Savings Account (MSA). Every month, an amount equal to one-half of what the county would have spent for the employee’s medical and/or dental insurance coverage is deposited into the employee’s MSA. The employee may spend funds from their MSA to pay for individual insurance premiums, medical co-payments, and medical/dental treatments not covered by insurance.*
